Allowable Subject Matter

Claims 1-49 are allowed.

The following is an examiner's statement of reasons for allowance: applicant's arguments filed 01/11/2005 with respect to the teachings or inferences of the Dorsch and Krupp references are persuasive. The examiner, now, with a better understanding of applicant's meaning of open-weave reinforcing patch, agrees that such a limitation neither taught nor suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thor S. Campbell whose telephone number is 571-272-4776. The examiner can normally be reached on Mon-Fri 5:30AM-2:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robin Evans can be reached on 571-272-4777. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
